B2B Business matching opportunity

- Pre-Event Preparation:
 - Schedule **1:1 alignment meetings with foreign companies** to understand products, services, and expectations
 - **In-depth research** was conducted on each individual company, with a specific focus on the clean energy sector. This was a highly targeted approach, not a mass outreach
 - Distribute personalized invitations and conduct follow-up calls to **ensure strong attendance**

- Event Execution:
 - Provide each delegated company with a daily meeting schedule and participant profiles
 - Coordinate and facilitate on-site meetings to ensure smooth flow and on-time execution
